All information is collected under the authority of the Freedom of Information and Protection of Privacy (FOIP) Act. All information collected or imported from other UofC systems will be used for career related student services and marketing of related events. Following graduation, only active accounts will be maintained on the system.

The quality of our services to students/alumni and employers depends on accurate information. Password sharing is a breach of confidentiality and is not permitted under any circumstances. Students are strongly advised to provide accurate information in their cover letters, resumes, and transcripts and during interviews. Discrepancies in information have resulted in the withdrawal of job offers, or termination of employees already on payroll. Uploading documents for someone other than yourself or applying to jobs on behalf of someone other than yourself is prohibited and will result in loss of access to CareerLink.

Failure to attend events, interviews and workshops that a student is signed up for without 24 hours notice may result in suspension of services.
